5

## I CLAIM:

1. A method of rendering air-travel service comprising the steps of:

conveying travelers by air to a predetermined destination, said travelers having articles of non-carry-on luggage, and the conveying step being performed with an aircraft devoid of non-carry-on luggage belonging to any traveler on said aircraft; and

transporting said articles of non-carry-on luggage to one or more locations where said articles of non-carry-on luggage are retrievable by said travelers following arrival of said travelers at said predetermined destination, the transporting step being performed with one or more conveyances other than said aircraft.

- 2. The method of claim 1, wherein one of said articles of non-carry-on luggage belongs to one of said travelers and said one article is transported to a predetermined location selected by said one traveler.
- 3. The method of claim 2, wherein said predetermined location is at an airfield.
- 4. The method of claim 2, wherein said predetermined location is at a lodging facility.
- 15 5. The method of claim 2, wherein said predetermined location is at a residence.
  - 6. The method of claim 1, wherein said aircraft is operated by a first party and at least

5

one of said conveyances is operated by a second party.

- 7. The method of claim 6, further comprising the steps of collecting one of said articles of non-carry-on luggage from a preselected location prior to the transporting step, and loading said one article of non-carry-on luggage on said one conveyance, the collecting step and the loading step each being performed by said second party.
- 8. The method of claim 7, wherein said preselected location is a at residence.
- 9. The method of claim 7, wherein said preselected location is at a lodging facility.
- 10. The method of claim 6, further comprising the steps of collecting one of said articles of non-carry-on luggage from one of said travelers at an airfield, and loading said article of non-carry-on luggage on said one conveyance, the loading step being performed by said second party.
- 11. The method of claim 1, wherein at least one of said conveyances is an aircraft.
- 12. The method of claim 1, wherein at least one of said conveyances is a truck.
